TENDER NOTICE

CESVI is an international NGO, with headquarters in Italy, operating in Libya. CESVI has received a grant from EC for the Implementation of a humanitarian aid operation. With funding from the European Union, Cesvi began implementation of Phase II of the project Protection Enabling Environment and Resilience Services (PEERS II) in Misrata, Libya. The Impact (Overall Objective) of the action is to strengthen the protection environment and resilience of vulnerable populations. The Specific Objectives of the actions are: i. persons in need benefit from quality, lifesaving, multisectoral services and information, and ii. local stakeholders and communities enhance their performance in providing support to migrants.

With the present document, Cesvi is inviting interested companies to present quotations to the following **International Open Tender** for the provision of **Cash Feasibility Assessment Consultancy** as indicated below.
